

# THESERA.L

## Water Channel 4way System

Creating an environment which is good for water metabolism,  
THESERA H moisturizes skin and builds water shields on the skin.

# Moisture Regeneration Treatment

Moisturizing skin channels, THESERA H improves skin dryness from inside.

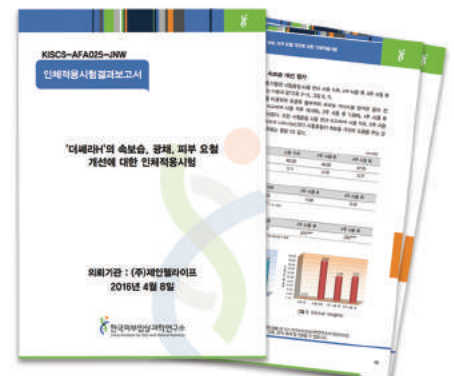

- 4 systematic program : Opening channel ▶ Creating environment ▶ Moisturizing ▶ Defense
- Aquaporin - Moisture regeneration via water channel.
- Activation aquaporin with nerve coding system.
